Some Kinda Wonderful

featuring the music of Stevie Wonder

14th February 2020 7.00 for 7.30

This is a Master Blaster of a Show!!

Celebrating the genius of Stevie Wonder throughout his entire career, the mesmeric vocalist, **Noel McCalla** and award-winning saxophonist, **Derek Nash**, have put together a band of top musicians to play a wide-ranging back-catalogue of classic hits, from 1970's *Signed, Sealed, Delivered* through to hits from *Talking Book*, *Innervisions*, *Songs in the Key of Life* and *Hotter than July*. Playing hit after hit,

from the dance floor classics *I Wish* and *Superstition* to beautiful arrangements of *My Cherie Amour* and *Overjoyed*, the set will also include compositions by Stevie that others have had massive hits with.

Noel McCalla's long association with the brilliant Morrissey Mullen Band earned him acclaim as "one of Britain's best Soul Singers" (Blues and Soul Magazine) and, for more than 19 years, Noel's searing, soulful vocals were featured with the iconic Manfred Mann's "Earth Band". He also provided vocals on Mike Rutherford's highly acclaimed album, *Smallcreep's Day*, and is often featured with jazz funk band, *Mezzoforte*.

Derek Nash has played in Jools Holland's Rhythm and Blues Orchestra since 2004 and is also a member of the Ronnie Scotts Blues Explosion. He has won several British Jazz Awards throughout his career fronting *Sax Appeal*, his Acoustic Quartet and the funk band, *Protect the Beat*. Derek has performed live, on record and on television with Gregory Porter, Chaka Khan, David Sanborn, Eric Clapton, Jack Bruce, Amy Winehouse and many, many more. At the forefront of the British jazz movement, Derek Nash is "one of the most versatile saxophonists in the UK today" (*The Guardian*)

Rarely have I heard the music of Stevie Wonder interpreted with such finesse, energy, and all-round brilliance - *The House That Soul Built*

Delighted audiences have said:

A simply fabulous show with a brilliant band. A must-see!

The whole auditorium were on their feet. Go and see the show if you haven't seen it yet!

Have seen this show 5 times! Exquisite quality of musicianship, talent and authenticity. Not to be missed!
